AGILE MINDSET

The Agile Mindset is your ability to nimbly adapt to challenges, deal with stress, overcome obstacles, and thrive in the face of uncertainty, to achieve predictable, consistent, powerful results.

WHY NOW

As AI advances at an unprecedented pace and social media continues to be an endless source of distraction, cultivating an AGILE mindset has become more critical than ever for navigating the ever-changing landscape of work and life.

Without an Agile Mindset, it's easy to get overwhelmed, anxious and distracted, making it difficult to make effective decisions, adapt to changes and achieve your goals.

BENEFITS

In this talk, your team will not only discover simple strategies and tools for developing an AGILE Mindset so they can achieve predictable, consistent and powerful results, no matter what's going on around them, they will be excited to implement them, too.

ABOUT ANIS

Hey, I'm Anis - pronounced Ah-niece. Autocorrect changes it to Anus, so please change it back to A-n-i-s. My surname is not as scary as it looks, let's sound it out: Kiz-il-bash.

Creator of Mindful Selling and AGILE MINDSET expert, my tools and strategies helps leaders and teams unlock growth in the moment to achieve predictable, consistent and powerful results, no matter what's going on around them.

As mindfulness practitioner and mindset coach, I've unearthed a profound understanding of the correlation between our mental state and how we react to life's occurrences.

AGILE MINDSET

My book, Mindful Selling, helps people shift their mindset and develop self-belief to pursue their goals. I am currently writing my third book, Agile Mindset.

Success as a coach evolved into teaching mindful skills to entrepreneurs, executives, teams and organisations, where I empower them to let go of limiting beliefs and implement practical tools to move forward.

My keynotes are a platform to help on a bigger scale, sharing implementable insight, compelling stories and practical tools combined with entertaining, interactive learning experience for your audience.

I have spoken around the world to audiences from all sectors, clients include Abbott Medical, DLL, TravelPort, Soho House, Meadow Foods, Mayor of London, Axis Communications, to name a few.
